Digital Signature Test Document – 2007

Purpose:

This document is digitally signed using the UNH-IOL digital signature. You can use this document to verify that you have properly installed the proper UNH-IOL certificate. This Document is intended to be used to verify the UNH-IOL 2007 Public Key (2007_DS_UNH-IOL_Public_Key.fdf).

If you have any problems with the installation our digital certificate, or if you have any comments please refer to our website (http://www.iol.unh.edu/certifyDoc/) or contact us at info@iol.unh.edu.

Signature

What am I looking for?

If you have the proper certificate correctly installed you will see the following:

Digitally signed by UNH-IOL
Date:
2006.05.17
13:54:16 -04'00'

If you do **NOT** have the proper certificate correctly installed you will see the following:

Digitally signed by UNH-IOL
Date:
2005.01.24
15:58:05 -
05'00'
